Ready to Launch - R2L  
Growing Online Faith Communities

### Launching your digital campus through:

teaching  
coaching  
technology  
media  
relationships  
discipleship

Training options and recommendations:

#### 1. September Turbo training:

- **for churches that can move quickly to start a new, digital campus.**

- You've participated in *Growing Online Faith Communities*
- You've read *From Social Media to Social Ministry*.
- You've built buy-in amongst members for digital and can get participants to training!

#### 2. January longer term training:

- **for churches still discerning their path toward digital discipleship.**

- You may have attended *Growing Online Faith Communities*
- You're still not sure your church will get behind a digital campus.
- You need more time to implement R2L teaching

#### 3. Contract based teaching and coaching:

- **for churches that want a customized approach**

- recommended for churches over 200 in worship pre-Covid
