GENERAL INFORMATION

The January on-demand cohort begins Monday January 10, 2022.

- Teaching is 4 weeks, through Monday January 31.
- Coaching is on Monday February 7, 2022

All sessions are 2 hours (not longer, but occasionally less).

- They begin at 7 p.m. Eastern time.
- Sessions are recorded.

On-Demand Cohorts!

- Developing Digital Momentum is 3 courses.
- A cohort of 5 to 10 churches gathers to study course one, WORSHIP.
- In this course, we engage new people in digital worship, and lay a foundation for digital discipleship.
- On-demand means you register for just this course.
- Course 2 is Discipleship, which begins in March.
- You might choose to stop after Course 1, Worship, and take the discipleship course in a year.
- You will pay only for the course for which you are registering: on-demand!
- This format benefits smaller churches that may not be sure they're ready to go multi-site online.
- Participating in course one on-demand is a good way to discern if you want to do more.
